A coin... A curse... A murder... The apocalypse. Modern medicine can find neither cause nor cure for an affliction that is slowly sapping life away from a young architect, Tim Harrington. As clues fall into place, Tims wife, Anna, begins to believe that an ancient curse is killing her husband. Annas quest to uncover the truth and save his life pits her against formidable foes: logic, history and even the Catholic Church. As Anna follows her instincts and her heart to find the answers in time, she risks unwittingly unleashing an awesome, terrible power from which the world will never recover.
