

Living in St. Thomas aboard her 36-foot sailboat, Double Trouble, Beth is trying to pad her bank account while she waits for her boyfriend Terry to free up time to join her. Then a series of cryptic emails convince her that her friend and fellow single woman sailor Ori is being held against her will. Beth battens down Troubles hatches and sets sail for tiny St. Hillaire, a French Caribbean tropical paradise. What she finds when she arrives galvanizes her into action to save her friend from a drug dealer who might be a murderer. But those, she soon learns, are his good qualities.
