

Bony and the Black Virgin (Inspector Napoleon Bonaparte Mystery: Arthur Upfield Collection)

Detective-Inspector Napoleon Bonaparte is called to the drought-stricken outback for this, his latest case. At a desolate sheep station two men have been savagely beaten to death and it's Bony's job to make an arrest. This isn't an easy case, since clues are scarce in this sun-baked, sand-blown country, but Bony's understanding of the bush and the people who live there - both black and white - leads him inexorably to the killer...
