

Big Dragons Dont Cry - A Dragons Guide to Destiny: Book I

A depressed dragon, impudent kitten, and frightened young woman make an unlikely trio to save the dragons swamp and lead humans to wholeness. They need the help of the countrys leader, but he ignores animals, fears the dragon, and wants the young woman to be the mother of the heir he so desperately needs. Only a crisis that threatens his country can persuade him to lose his mind, find his heart, and save his people.
