

Custody of the State

Craig Parshall is renowned for his Christian inspirational novels that expose the inadequacies of the American justice system. Ted Baehr, Chairman of the Christian Film & Television Commission, hails this novel as not only a great mystery, but also a deeply redemptive book. A small-town farmer and his young wife are falsely accused of having committed a heinous act against their own child. Forced to flee from the law, the mother seeks the legal aid of courageous attorney Will Chambers.
