Maggie Saunders couldnt be happier. She writes highly successful adventure guides for a small press, but never has to leave her desk. When the prospective new owner of the company wants to meet author M. S. Stevens - and send him on tour! - Maggie knows shes sunk. She hates to travel and whenever she does, only bad, bad things happen. For the icing on the cake, her new boss mistakes hunky adventurer Mac Sully for the bestselling writer. Now its a matter of convincing Mac to be her man - in more ways than one!
