

Against the Sea: Tales On and Under the Sea

Stories about the sea are always intriguing. Two thirds of our planet is covered with water which makes for an exciting venue for stories. The ocean is a place where anything and everything can happen. This collection of short stories is a mix of true, nearly true, and possible tales above and below the water. These stories contain something for everyone: adventure, horror and science fiction. Read and be transported to places far from shore.
