

Duplicity: No Time For The Wicked - Episode 5 - A Tale of Murder, Mystery and Romance (A Smoke and Mirrors Book Book 2)

Author note: It seems with each year it gets more difficult to find that time to read a book because of how hectic life gets, so on that thought, I decided to break up Duplicity into 6 quick episodes which can be read while waiting in line or at a doctor or dentists office. Author Warning: This episode ends with a cliffhanger. The Duplicity series was previously published in 2012 as the single title book Shrouded in Mystery. 1st place in Beacon Contest under the Paranormal Category 1st place in the Emily West Houston Chapter RWA Contest Paranormal Category Honorable Mention from On the Far Side Contest from the Fantasy Futuristic and Paranormal Chapter of RWA Finalist in First Coast Romance Writers Unpublished Beacon Contest With a killer closing in, Katherine learns the teenage boys were murdered; she makes it her mission to avenge their deaths. Alone. She doesnt trust anyone, particularly Clark after witnessing a dark and alarming side to him. But going after a cunning killer is more than dangerous. Its deadly.
