

Reverend America: A Journey of Redemption

A powerful, sometimes brutal, but often outrageously funny saga of survival and salvation on the road across a New Depression Era America, where only one thing may be clear anymore. People need each other more than ever. Saknussem is a rare visionary of American culture, a fearless artist with his very own skew on the western world. Reverend America is brilliant. - Jonathan Evison, New York Times best-selling author of West of Here Dangerous, hilarious, wildly imagined, weird as a carnival midway, and real and tragic as blues harmonica. Reverend America is blisteringly good. - Janet Fitch, author of White Oleander (Oprah Book Club Pick) Mr. Saknussem soloed like a jazz master. - New York Times
