

Enemy Lines: Navigator Book One (Volume 1)

Book One of the completed four-part Navigator series. After nearly being executed in a war zone, Staff Sergeant Leon Shield finds himself urgently recalled from deployment, and lands back home to a defeated country. In a matter of days, and without a single shot being fired, a new species has taken over the world. Determined to survive Armageddon, the only chance to fight back is to find a man called Ark, and use an untested technology to become Navigators. With hydraulics, armor and advanced vision, Navigators are soldiers of the future, and in the game of survival of the fittest, they become the only hope man has to fight for their right to dominate. Enemy Lines is the first book in the Navigator series, which will be published throughout 2016. It's a fast-paced, action-based story following the people who will need to become a tight-knit team if they're to defeat an enemy capable of taking over the world. Books in Navigator: Enemy Lines, Blind Sighted, Killer Edge, Broken Arrow. Also by SD Tanner: The Hunter Wars series: Books in Hunter Wars: Eve of the Hunter Wars, Heaven Meets Hell, Army of Angels, Gift from God, Right to Rule, Call to War. Books in Eden Lost: Hidden Evil, Dead Alive, Battlefield (scheduled 2016). Books in The Locke Files: Time to Die, Time to Kill (scheduled 2016). Website: sdtanner.com. Twitter: @SDTanner1
