

## Hot Pursuit

From the author of *Nothing Lasts Forever*, the basis for the movie *Die Hard*, comes a heart-pounding thriller! When a young coast guard lieutenant commander, Sam Merrill, finds a ghost yacht full of one billion dollars worth of gold, money, and contraband, he becomes a national sensation and the poster boy for America's war on drugs. As a reward, the government sends Sam and his wife, Amy, on an all-expenses-paid vacation to the Bahamas. Sam's newfound fame becomes a nightmare when Amy is kidnapped not long after they arrive in the tropical paradise. Sam is confronted with the pursuit of his life, fighting to save Amy and ultimately himself as he faces death-defying challenges at every turn and a drug kingpin named Chino who will stop at nothing to see him dead. In way over his head, outgunned, and outnumbered when the chase leads him to Cartagena, Sam has to overcome overwhelming odds as he races against time to figure out why his wife was kidnapped and where she is being held and save her from bad guys who will stop at nothing to achieve their goals.
