

Lana Malloy Paranormal Mystery Series (Novellas 1 & 2): Haunted Hearts & Get Out or Die - Box Set 1 (Lana Malloy Paranormal Mystery Series Box Sets)

In the LANA MALLOY PARANORMAL MYSTERY SERIES, Lana Malloy is a psychic, private investigator who is on a mission to help the dearly departed even when they don't realize they need help. Many times the ghosts help solve their own or someone else's murder, abduction, etc. In the first novella, HAUNTED HEARTS, Lana sets out to solve her first case: the twenty-year-old cold-case and double murder of her great aunt and her great aunt's fiancé. If she succeeds, they'll spend eternity together; if she can't, they'll be stuck as Haunted Hearts. With the help of the ghosts and a new love interest, she is able to find the murderer. In the second novella, GET OUT OR DIE, the success of Lana's first case has spread throughout the local Charleston area and her business is booming. At one pro-bono job, Lana helps a widow communicate with her late husband where she learns of a frightening new ability: an ability that could give the spirit the upper hand if she's not careful.
