

## DEVILS PIETA, The Last Penance of The Vampire

The horrific tale of The Vampire Gabriel and his tormented life of slaughter and damnation. This is the tale of my beginning. This is the tale of my end. This is the tale of the living child, dying child and the dead child. This is the tale of rosary beads stained with affection, inaffection and misanthropy. This is the tale of abandoned ritual covered in the waxy hue of red. Beams of wood. Beams of wood to lay the broken martyr upon. That cross. That damnable bleeding cross that has haunted and betrayed me for two hundred years. That cross. That cross I still wear around my neck. This is the tale of angels who wear monsters shrouds. This is my tale.
