

Dream Searchers: The Seekers of the Spirit (Volume 1)

Dream Searchers is a novel based on real facts about a secret research group called The Dream Hackers. This group was forced underground, when governmental agents became interested in their amazing discoveries in the fields of dreams, teleportation and controlling reality. While investigating the cartography of dreams, the Hackers found practical confirmation of the deep Knowledge, as popularized by the ethnologist and author Carlos Castaneda in his book The Teachings of Don Juan.
