

Play Dirty

The Western Desert: October 1942. The killing crew: a dope smuggler, a political assassin, a bull-like homicidal maniac, a pair of homosexuals, and in command is a vicious mass murderer. They hated each other only a little less than they loved money - and money was what they were getting for doing what they used to do for fun. As they moved through the desert, keeping as hostage the British officer who was supposed to be their leader, only God could help any man who stood in their way. And there was nothing on heaven or earth that could help any woman...
