

Stiff Things: The Splatterporn Anthology

When Comet Press put out the call for submissions for STIFF THINGS we said we were ready to ratchet up the eroticism and visceral intensity with hardcore stories that penetrate new depths of psychosexual horror. But we weren't as ready as we thought we were for the extreme stuff that came flooding in on waves of blood and other bodily fluids we won't mention here. Not that we're complaining. In other words, we got what we wished for...and more. So much more that calling it an anthology of erotic horror was no longer strong enough. The stories themselves dictated a new title. And so here is the TOC for this upcoming release with a more apt title: Stiff Things: The Splatterporn Anthology The Extra Mile by Paul Allih The Penis of the Marquis De Sade by Andrew Darlington Modern Celebrity by Brandon Ford Hunter's Moon by S.C. Hayden If My Face Were Transparent, You'd See the Devil by Eric LaRocca Godfucked by Tanker Ray Charlotte the Harlot by Shequila Rayne Suckers by Cori Vidae and Brian Rosenberger The Solution by Kristopher Triana One Ear, Always To the Land of the Dead by Olive Whittier
