

The cliff-dwellers; a novel

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1893 Excerpt: ...going too deeply beneath the surface of things--that present conditions were so favorable. For they involved none of the ordinary phenomena of a trial. There was no wrangling, no eloquence, no auditory; there was no humiliation--beyond that which was inevitable. It was hardly more than a conference. The judge, with a quiet gravity, took a simple conversational tone--a keynote to which the indignation of Burt, the mortification of his sister, the sorrow of Jane Doane, and the juvenility of Freddy Pratt all came to be attuned. There was a simple recital of uncombated facts, the separation was decreed, and Mary Vibert was presently at liberty to resume her maiden name. It was considered best that she be known henceforth as Mrs. Mary Brainard. There was no report in the next days papers, nor the next; on the third day things took a different turn. One or two of the newspapers had sacrificed the Vibert-Doane story with considerable reluctance. They felt a certain degree of martyrdom, too, in withholding their hand from Brainard, who had been a standard subject of attack throughout the careers of all the younger writers. Nor were they at all sure that their position as guardians of the public morals justified any such suppression of the truth. They learned of the clandestine trial of the Vibert case, and that decided them. Their virtue was strengthened; the whole affair was reopened and thoroughly ventilated. The encroachments of wealth and privilege were held up before the alarmed eyes of the public; the entire episode, with everything leading up to it, was minutely rehearsed. A good many people were interviewed--a few who knew something of the circumstances,

a good many who did not. Reportorial requisitions were also made on the bank and the hou...
