

The Delta Solution

New York Times bestselling author Patrick Robinson is back with the third thriller in his page-turning Mack Bedford series: *The Delta Solution*. For years, heavily armed Somali pirates have been capturing and holding for ransom massive cargo ships, violently demanding millions of dollars for their return. Each time an owner pays big for the return of their ship, the pirates immediately capture again, enraging the Pentagon. That is, until the Somali Marines make a big mistake, seizing at gun point two United States ships and demanding a \$15 million ransom. Hero Mack Bedford, previously encountered in *Diamondhead* and *Intercept*, is deployed to SEAL Team 10 to form The Delta Platoon. His objective: obliterate the Somali Marines in the middle of the Indian Ocean, at all costs, once and for all.
