

The Passion of Pier Paolo Pasolini (Perspectives)

... a keen and brilliant critical account of Pasolinis films and writings... ?ItalicaRohdies personal, idiosyncratic critical style is backed up by serious scholarly research, as the rich bibliography attests. This is one of the most original recent additions to the ever-growing literature on Pasolini. ?Choice... refreshingly personal and full of unpredictable tangents.?Film QuarterlySam Rohdie has written a personal, wonderfully lucid account of Pier Paolo Pasolinis cinema and literature.
