

Undertow

Following an alleged conversation between respected attorney Rayna Martin and teenager Christina Hayes, one of them is dead, the other arrested for their murder. Boston lawyer David Cavanaugh faces his toughest case to date when what appears to be a tragic accident turns into something else entirely. David soon finds that his most dangerous battle is taking place outside the courtroom. Lies, deception, blackmail, threats... and finally the precision of an assassins bullet combine to create a shocking finale in this suspenseful debut from Sydney Bauer.
